Musicians Roster Review Panel
Los Angeles County Arts Commission
1055 Wilshire Blvd., Ste. 800
Los Angeles, CA 90017

Dear Roster Review Panelists:

It is my pleasure to offer this recommendation in support of Catte Adams and Beautiful People.

I was looking for a dynamic, energetic performer to help celebrate the birthday of our Mayor, Abbe Land. When I described what we were looking for, multiple sources identified Catte Adams as just the right performer.

Not only were we thrilled to be able to have a West Hollywood resident fill this role, but Catte's performance was simply stellar – even though she didn't have a tremendous amount of notice, had to "wait in the wings" as the performance was a surprise, and worked with a number of City staff members to ensure quality of sound, presentation and performance.

She brought the house down with her performance, receiving a standing ovation from all those in attendance. We couldn't have asked for more, and were thoroughly pleased to have made contact with such a vibrant performer right here in our own backyard.

I believe you will, as our audience did, truly enjoy the performance of Catte Adams, and hope you will include her and Beautiful People in the Musicians Roster.

Sincerely,

Corri Planck
Deputy to Mayor Abbe Land
